DETAILED ACTION

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 1-8 and 10-21 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In claim 1, line 8, it is not clear whether or not the limitation: "repeating the subdividing and the identifying for the intersecting sub-boxes" includes bounding the intersecting sub-boxes in a secondary box (i.e., box different than the box claimed in line 5) whereby the secondary box is subdivided into latitude/longitude secondary sub-boxes (i.e., sub-boxes different than the sub-boxes claimed in line 6); **or** whether the intersecting sub-boxes alone are subdivided into latitude/longitude secondary sub-boxes (i.e., sub-boxes different than the sub-boxes claimed in line 6).

In claim 8, line 9, it is not clear whether or not the limitation: "repeating the subdividing and the identifying for the intersecting pixels" includes bounding the intersecting pixels in a secondary box (i.e., box different than the box claimed in line 5) whereby the secondary box is subdivided into latitude/longitude secondary pixels (i.e., pixels different than the pixels claimed in line 6); **or** whether the intersecting pixels alone are subdivided into latitude/longitude secondary pixels (i.e., pixels different than the pixels claimed in line 6).

Allowable Subject Matter

Claims 1 and 8 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action, **without broadening the scope of the claims**. Broadening the scope of the claims would require further consideration and/or search by the Examiner.

Claims 2-7 and 10-21 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims, **without broadening the scope of the claims**. Broadening the scope of the claims would require further consideration and/or search by the Examiner.

Conclusion

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of

the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
